

SHELTER IN PLACE

Should you find that you are unable to leave a location for whatever the reason, fire, smoke etc. please remain in a safer location if possible such as an office, suite etc. Close the door but do not lock as the emergency response team may need to gain entry. Contact Emergency 911 and advise of your location. Contact building security at 403- 221- 1160 and advise of your location.

Seal all cracks where smoke may enter. Use wet towel, clothing, and strong wide tape if available. Crouch low to the floor if smoke enters the room.

Remain calm and don't panic.

Listen for instructions or information that may be given over the enunciator panel/speakers.
